FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Mental Health**, the **Office of State Courts Administrator**, the **Department of Elementary and Secondary Education**, the **Department of Insurance**, **Financial Institutions and Professional Registration**, the **Department of Corrections**, the **Department of Health and Senior Services**, the **Department of Labor and Industrial Relations**, **Legislative Research - Revisor of Statutes**, the **Office of State Public Defender**, and **St. Louis County** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Office of Secretary of State (SOS)** state many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The Secretary of State's office is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500. The SOS recognizes this is a small amount and does not expect that additional funding would be required to meet these costs. However, it is also recognized that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain within its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Officials from the **Joint Committee on Administrative Rules (JCAR)** state the legislation is not anticipated to cause a fiscal impact to JCAR beyond its current appropriation.

Officials from the **Department of Social Services (DSS) - Children's Division**, the **DSS - Division of Legal Services**, the **DSS - Family Support Division**, and the **DSS - MO HealthNet Division** each assume the proposal would have no fiscal impact on their division.
